

Shots Fired Within City

Two houses in Grayling were shot at early Tuesday morning and the Crawford County Sheriff Dept., assisting the Grayling City Police on the complaint, picked up a 17-year-old Grayling boy on carrying a concealing weapon charge in connection with the shooting.

The houses are located on Alger and State streets and a call about shots was phoned into police at 12:44 a.m. The suspect's name will not be released until arraignment in district court.

Illegal Solicitor Suspect Caught

Grayling City Police have located a suspect connected with unauthorized collecting for Hanson Hills. Following tips on his description from Grayling Recreation Authority board members, city police found an 18-year-old Grayling suspect. The police say full recovery of the money collected is expected and the funds will be turned over to Hanson Park.

Driver Cited In Accident

Scott Collen, 17, of Grayling, and David Gardiner, 18, of Grayling were treated at Mercy Hospital following a car accident Wednesday, October 10, at 11:40 p.m. along Old Lake Rd. in Grayling Twp. The police said Collen was driving too fast and he was cited for O.U.I.L.

George Kokones, 27, of Farmington, and Lorna Pinner, 20, of Caton, were treated at Mercy Hospital after their vehicle rolled over at a high rate of speed along southbound I-75 near mile marker 259. The accident occurred at 6:30 p.m. Sunday, October 14. Juanita and Albert Kiracofe, of Gratis, Ohio, and Marsha Snider, of Baltimore, Maryland, were taken to Mercy Hospital by the Frederic Ambulance crew after their vehicle rolled over along southbound I-75 near the 266 mile marker at 3:10 p.m. October 2nd. Albert Kiracofe was cited for careless driving for falling asleep at the wheel, the police report said.

Heidmarie Hastings, of Grayling, and her two children ages 1½ and 3 escaped injury when their vehicle rolled over on Connors Flat Road about noon October 3. Police said the children were properly restrained in child seats helping prevent serious injuries.

Harvest Dinner at MM Church

Annual Harvest Dinner at Michelson Methodist Church Thursday, October 18, 1984. Turkey dinner with all the trimmings and homemade pies will be served from 5:00 to 7:00 p.m. Adults \$4.00, children 12 and under \$2.00 and children 5 and under 50 cents. A family plan is available for \$15.00. Please call the church office for reservations 348-2974. Take-out orders are available after 4:30 p.m.

Hanson Hills Benefit Roast "The Itallion Stallion"

Once again, the annual roast has been scheduled, with proceeds going to help Hanson Hills Park. This year's roastee will be none other than Paul Thomson, Grayling's own Itallion Stallion. When the roasters get done plucking this Chicken Cacciatore, there won't be enough meat left to make a decent wing-ding.

The affair, always a sell-out, is scheduled for Thursday, Oct. 25, at the Camp Grayling Armory. There will be a cash bar open at 6:30, followed by a delicious Chicken Cordon Bleu dinner. But the main course will be the Prince of Pasta himself, Grayling's leading spaghetti bender and insurance legend....Paul J. Thomson.

Don't miss the fun when one of Grayling's favorites gets the ridicule he so richly deserves from a panel of roasters who can't wait to sink their teeth into this one.

Tickets are \$8.50 per person, and can be purchased at Grayling State Bank, Cornell Real Estate and Insurance, or from Marty VanDeVen, John Naour, or George Stancil.

No Losers At Vegas Night

The Grayling Winter Sports Carnival committee is guaranteeing no losers at the Las Vegas night at Hanson Park on November 3rd. The lucky players at roulette, blackjack, and carnival bingo can take home their winnings and the unlucky players can smile knowing their contributions are going to the operation of Hanson Park.

Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 17 Oct 84 thru 24 Oct 84.

Firing will be in the following areas on the dates and times as indicated.

The Small Arms Ranges located north of Howe Rd, east of Lake Margrethe, west of the gas pipeline and south of Portage Creek. Firing will begin at 8:00 AM 20 Oct 84 and cease at 5:00 PM 21 Oct 84.

The Range 40 Complex north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97 (Twin Bridge Rd). Firing will begin at 9:00 AM (Daily) 17 Oct 84 thru 5:00 PM (Daily) 24 Oct 84.

The ranges will be closed to the public during these periods and all persons are warned to keep out of the areas identified.

It's Official: County's Debt at \$41,448

By Jon Thompson

Most people knew Crawford County ran in the red during 1983. An audit by Chadwick, Zick & Co., of West Branch, finally figured the debt at \$41,448.

Now everyone is guessing how far the county will be in debt by the end of 1984 — less than two and a half months away. The auditors estimated the county could easily be \$100,000 in the hole by then.

The 1983 audit was late this year because an airplane crash took the life of the county's regular auditor.

Without a clear idea of the 1983 deficit, the county commissioners have been operating in 1984 under much of the same budget figures used for 1983.

The audit showed expenses in county department in 1983 exceeded budget totals by \$97,000. An extra \$27,600 in revenues above budget estimates helped offset the overspending.

The county had little control in some of the overspending. Circuit Court expenses were \$19,563 over budget, District Court \$15,527 over budget, and Probate Court \$7,264 over budget. Fees for court appointed attorneys for indigents accounted for more than \$30,000 of the overrun.

"It's getting to the point where it almost makes sense for the county to contract for a public defender," said county treasurer Joseph Wakeley.

Care for children in foster homes also ran \$19,000 over a budgeted \$50,000 for 1983. The overrun of \$19,000 was not included in the 1983 deficit by the auditor, however. Because the county commissioners did not authorize payment of the additional costs above the budgeted amount, the deficit will be counted in 1984 when commissioners authorize payment.

In the sheriff dept., expenses exceeded the budget by \$46,201. The biggest item was about \$13,000 spent above budget for salaries negotiated by the county commissioners with

sheriff deputies. Another \$10,000 overrun in vehicle purchase helped replace a couple of cars with more than 120,000 miles on them with used cars. Vehicle maintenance on the old fleet of the sheriff cars ran \$10,000 over budget and overtime for sheriff deputies went \$6,500 over budget.

In the jail dept., the county had little control in the board of prisoners (mainly housing females in other jails) which ran \$19,800 over budget. Salaries ran \$16,000 over budget and overtime pay was \$6,500 above the budgeted amount.

Following the audit showing a deficit for 1983, the county now has 90 days to submit a detailed plan to the state treasury outlining steps to operate in the black.

"Public Act 621 of 1978 says you can't operate under a deficit," Wakeley said.

It's possible the state could withhold monies from the county until an acceptable recovery plan is submitted. The state could also send someone here to help straighten out problems, he said.

Contamination Forces Landfill Board to Clay Cap Old Site

By Jon Thompson

The Crawford-Otsego Landfill Board voted last Tuesday to start clay capping the old 20-acre landfill.

The landfill board must submit plans for clay capping to the DNR for approval.

Crawford County commissioner John Miller, chairman of the landfill board, said contamination at the site is forcing the counties to start the costly project — despite the fact both counties are broke.

One engineering estimate put a price tag of \$300,000 on clay capping the 20 acres.

Crawford County commissioners discussed taking the DNR to court to have them pay for clay capping under the Headlee Amendment which says, more or less, the state must pay for anything it mandates.

Larry Thorton, from the DNR regional office in Roscommon, said Headlee doesn't apply to Crawford-Otsego because the DNR isn't forcing the counties to operate a landfill. He also said the state could base its case on federal environmental protection law or the state water resources act. The federal law would toss the Headlee Amendment out the window and the state water resources act makes the counties responsible for the contamination.

Miller said the county could take the DNR to court if there wasn't any contamination. But with the contamination, it would be a losing court case. Miller said he

talked to a lot of people and it's clear the county is responsible for taking care of the contamination.

He also said the health of the people come first in any case and the counties need to get going on capping the old landfill to prevent further problems. There are private wells within 2000 feet of the contaminated site, he said.

"We don't know the extent of the plume (the underground contamination)," said Thorton. "There could be major problems here, we don't know. The clay cap might not be the end of the story because of ground water contamination."

The DNR wants to expand the parameters of the test wells and split samples of testing late this fall.

If the plans are approved by the DNR, Miller wants to finish the engineering work and begin leveling the old site this fall. In spring, they could start with the clay

capping. Miller thinks the landfill board could save \$100,000 by hauling the clay with their own trucks from a DNR site on Bald Hill.

If the project costs \$200,000, Crawford's share would be about \$70,000 if the counties had to foot the entire bill.

The landfill does have \$80,000 in its checking account to start on the project. The landfill might be able to contribute a lot of money toward the project but would then probably be unable to set aside any money for equipment purchases in the future. The counties had to pay more than \$100,000 two years ago for equipment purchase.

The counties have requested help from the military for either clay or digging ditches at the landfill. If the military could incorporate either project into their exercises, it would save the landfill a lot of money, Miller said.

Headlee Amendment Rolls Back County Millages

By Jon Thompson

The Headlee Amendment rolled back two county millages, the county commissioners voted to levy the same millage under the Truth in Taxation law, and the Truth in Assessing law

didn't apply to Crawford this year.

Confusing? Take a look at the formulas for figuring out these laws if you want to be really confused.

The Truth in Taxation law dealt with the most money this year in Crawford County. The law says if State Equalized Values (S.E.V.s) rise then the county must hold a public hearing concerning the extra tax revenues the higher S.E.V.s generate. If the county does not have a public hearing, the millage is rolled back to collect the same amount of taxes as the last year give or take a few changes allowed in the complicated formula.

The Crawford County Board of Commissioners voted to leave the millage the same and collect \$47,436 in extra tax revenues for 1984. The board consensus was they needed every

dollar to get out of the red and stay out of deficit. (see deficit story above).

The Headlee Amendment automatically took away some of the extra tax revenues, however. The county 6.5 mills was rolled back to 6.439 under Headlee reducing tax revenues by \$10,322. The commission on aging .50 mills was rolled back to .49529 for a reduction of \$800.

The Dial-A-Ride millage was not affected for 1984 because that millage was just approved in August.

The county debt retirement was also reduced by the county commissioners this year from .36 mills to .34865, a small savings of \$2000 split among all taxpayers. The debt retirement millage pays for the county building and as S.E.V.s go up, less millage is required to raise \$59,000 — the annual payment.

Can You Afford Not To?

by Harrison Goodhue for Red Cross

The rest of that question is "Support Red Cross Financially" and thereby have to do without the vital humanitarian services that Red Cross provides the Citizens of this County and this Nation?

We have given you examples of Red Cross Disaster Relief and Service to Military Families and this week we would like to give you an example of what life saving blood means to families.

Sue and Doug Noble of

Saginaw Street in Montrose, Michigan had a son born to them in 1976 with a large hole in his heart, and their Doctors informed them that in a few years he would have to undergo open heart surgery to correct this defect.

In the summer of 1981 the Doctors decided it was time for the surgery. Mathew was five and it was expected that all would go well, but it didn't!

The first operation was not successful and shortly after he was home, convalescing, he suffered a cardiac arrest

and had to be revived by Cardio Pulmonary Resuscitation, as it happened, by a Red Cross trained CPR Volunteer.

Rushed back to the hospital in an ambulance, a second open heart surgery was performed.

Musical Revue Brings Broadway to North Woods

By Jon Thompson

Broadway is 674 miles, 522 feet, and one heck of a long jump from Grayling, but four Grand Rapids performers managed to carry sparks of Broadway electricity to the north woods last Saturday.

Mary Gamble Hyatt, Kirk Swenk, and Jean Reed Bahle, accompanied by Stephanie LeTourneau on the piano entertained more than 100 persons at the Joseph Stripe Auditorium with their Broadway Revue "Four by Four and More".

The two-hour show combined humorous songs, lively dances, and touching love ballads in an entertaining blend that left the audience applauding for more at the end.

The Crawford County Arts Council sponsored the show by the professional actors and musicians from the Midwest Lyceum. The experience of the singing trio and their background in dramatic and comedy roles

stood out during their dialogue and dance routines. They easily turned a potential embarrassing moment of a dropped earring into another funny line.

Their selection of Broadway hits covering four decades was also well received by the audience. The three singers were impressive in solos as well as singing together.

Another strong point of the show was the ease in which the Grand Rapids performers were able to reach the audience during their introduction to warm up the audience early.

All in all, the Broadway Revue easily won a badly needed point for live entertainment in the Grayling area.

"Four by Four and More" is the first of two Midwest Lyceum performances in Grayling this month. The Midwest Trio will present an afternoon of classical to popular music Sunday, Oct. 28, at 3 p.m.

Prescribed Burn Planned In South Branch Twp.

The U.S. Forest Service Mio Ranger District is planning a prescribed burn in Crawford County this fall to create suitable habitat for the endangered Kirtland's Warbler. The project area is located on M-18 between Hunters Lake Road and Rock Cemetery Road, T25N, R1W, Section 22, in South Branch Twp.

The 78 acres to be burned consists mainly of Jack Pine slash and grass.

The Forest Service is waiting for the proper fuel and weather conditions to conduct the burn. One requirement which is the most difficult

to meet is a rainfall of at least 1/2 inch in a 24-hour period. Following the rainfall and a few sunny days the burn will take place. The rainfall requirement will insure moist fuel conditions in areas adjacent to the project site.

Fire fighters and equipment from the Tawas and Harrisville Ranger Districts will assist with the project. The Forest Service has also requested assistance from the South Branch Fire Department. The Crawford County Sheriff Department will be requested for traffic control.

From Our Corner...

Many memories returned Saturday afternoon as we watched the Timberliner pull into the railroad station as some 550 passengers disembarked to spend about two and a half hours in Grayling before their return trip to Bay City...

As the passengers streamed off the train and started to wander down main street brought back the thought of the snow trains as they would arrive for a Sunday of winter fun, or just fun in the north country...also a nostalgia sight was the busses lined up by the depot, the Holiday Inn LeCoach bus, another retired Greyhound plus Dial-A-Ride buses were on hand to take any of the visitors someplace else if they wished...these busses replaced the stake trucks that used to meet the snow trains to take the people out to the park...

The sight of the passenger train pulling into town also brought back the memories when I was growing up in Gaylord and spent many hours around the depot as my father was a clerk and also handled the midnight train which went south around 11:30 and then the morning train going north at around six...I used to help him with the mail as that was one of the jobs taking the mail from the train to the post office and also taking the mail from the post office to the train...we always knew when money was being sent out of Gaylord or some coming in for the Gaylord bank, the sheriff and his deputy...that was our law enforcement back then...would always meet the train and would always be near when the mail was being transferred...not right with my father and I but, close enough to see what was going on...

And then seeing the passenger coaches brought back the memories of the many miles that we traveled by train, both before we went into the army and after we were in...at one time or another we crossed the states from New York to Seattle and San Francisco, and from Gaylord to Alexander, Louisiana...many nights we went to sleep, sometimes in the Pullman car, others just in the seats, listening to the clickety-clack of the wheels on the rails...it is something one has to experience to understand what I mean, it is a sound different from anything else that I can think of...

There were quite a few youngsters that got off the Timberliner which I think was real nice, there are many who will never have the chance to experience the old saying of riding the rails...and to think that at one time besides a horse that was the only mode of travel for everyone...now we are sending people to the moon and just the other day our first lady walked in space, or whatever you call it...we're not going to be around but, it is hard to imagine what science and technology will bring to outer space in time to come...it was the iron horse that opened the gates to this great nation...

Yes, the Timberliner brought back memories of yesteryear...come to think of it my folks never seen television...their means of communication was the newspapers, radio, and the cinema...Clara Bow was the sex-pot of the twenties and Charlie Chaplin the comic...Tarzan was the idol of the kids at the Saturday afternoon movies...I guess it sort of dates us when we can remember the silent movies...but then, I guess nostalgia helps one forget the trials and tribulations of the way of life it is today...we imagine our parents had their worries back then too, we just were too young to realize them...

Grayling was the winner two fold with the arrival of the Timberliner and its some 550 passengers on Saturday to mingle around our little hamlet...we also got ink in the Bay City Times on Sunday that we couldn't afford to buy...a front page story plus picture kicked over to page four and another article plus four pictures of the trip which could become an annual event...time will tell...

Yes, Saturday had a bit of nostalgia for the ol' fella...with that we will bid T.J., Stefany and Amber goodnight and to all of our readers, have a nice weekend...the beauty of autumn is fading fast...

Thanks to you...
it works...

CHILD ABUSE

Child abuse is one of the most inhuman and vicious crimes facing any society. Child abuse has reached epidemic proportions across America. The congress has already acted to deal with the problem. It is estimated by U.S. News and World Report that some 5 million children suffer annually from such abuse.

Sex abuse is the most shocking and outstanding type of crimes we are being confronted with. It is alleged that organized crime is involved in selling young victims. Law enforcement officers testify that they often see the corpses of youngsters who have died from anal hemorrhaging cause by homosexual abuse. It is alleged that there are catalogues displaying photos taken with telephoto lenses. The customer makes a choice and then an abduction follows. A private investigator witnessed an auction where these children are sold to the highest bidder and some are immediately taken by jet out of the country. Fair-haired blue-eyed boys are choice targets for kidnapping and use for homosexual gratification and the production of pornography.

If we are to deal with the problem instead of the symptoms, we must look at the moral values which have developed during the past generation within our society. It is much easier for a criminal to justify abusing small children when that society permits the senseless murder of millions of them

before birth. Liberal humanists have pushed for laws in many states lowering the age of consent between adults and children involving sex. Our entertainment media has made a god of sex in all forms. Our educational system has taught our generation that they are merely evolved animals with no moral absolutes to govern their actions.

Jesus said in Matthew 18:6: "Whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea." Children are little human people, and should be treated with the same respect given to adults. Even discipline administered by parents should not be given to satisfy the anger of gratification of the adult, but to bring lasting benefit to the child. Child abuse will only end when our society returns to the moral absolutes of the Bible as a normal standard of conduct.

HONDA
ATC
ATC250R
WHEN WINNING IS
EVERYTHING
Nothing out-performs an ATC250R! It's the winningest
three-wheeler in the dirt. And for '85, it's even better. Now
water-cooled, its potent 246cc reed valve two-stroke engine
outpowers all of its competition. The new six-speed, close
ratio transmission lets you get all the power to the ground.
Improved Pro-Link rear suspension and air-adjustable forks
are also featured. All this, plus a new adjustable rear track
design makes the 250R hard to beat. And isn't that what
being on top is all about?

Dear Sir,

Over the past few months, I have contacted many state and local groups and agencies, trying to gather available information on "abandoned newborns", or as they are referred to here in Mich., "throw away babies".

As unbelievable as it may seem, no group or agency has gathered this information, or tried to study this occurrence. As I feel we must try and do something to prevent this from happening, I must first prove it does happen here, and that for some reason available agencies are not preventing this from happening.

I hope to prove the need for a "State-Wide Emergency Hot Line" to target these very desperate expectant mothers, and try to help them before they are driven to the point of delivering their own babies and abandoning them.

I believe that if there were a number to call, and the public knew about it, they just "might" pick up the phone and call us, before it is too late. I realize for every baby abandoned, there is a different reason, but they do need someone they can talk to and trust.

Please send copies of all available stories, and follow ups to them, so that I can compile this information. I appreciate your cooperation, and any help or suggestions you could give me in accomplishing my goal. Winter is really here, and that makes it much worse for the babies.

Thank you,
Sherry Shelts

Chicken La France

- 1 can (20 oz.) Dole sliced Pineapple in Juice
- 1 (3-lb.) frying chicken, cut up
- 2 tsp. butter
- 2 tsp. seasoned salt
- 1 cup dairy sour cream
- 1 tsp. chopped parsley

Drain pineapple, reserving 1/2 cup juice. Saute chicken in butter until well browned. Sprinkle with seasoned salt. Add reserved juice. Cover, simmer 30 minutes. Remove chicken to serving platter. Stir sour cream and parsley into pan juices. Add pineapple. Simmer 5 minutes until heated through. Pour over chicken. Makes 4 to 6 servings.

G.H.S. Players

Set Theatre Season

Plans for the 1984-85 theatre season for the Grayling High School Players have been completed with all shows selected and all dates set. As a result, the players will for the first time offer season tickets to the public. When they purchase their season tickets, theatre patrons will be taking advantage of reduced prices, be guaranteed reserved seats in the center section of the auditorium and, be guaranteed that they will have good seats for all three shows. Season ticket prices will be \$10.00 for adults and \$6.00 for students and senior citizens. At the door admission prices will be \$3.50 for the two plays and \$5.00 for the musical.

This year's G.H.S. Theatre season promises to be a great one, with two excellent comedies and a Broadway musical in the offing. On November 8, 9, and 10 they will present the farce, "The Great All-American Musical Disaster". On January 30 and February 1 and 2 they will present the British comedy hit "Pools Paradise" and on May 9, 10 and 11 they will present the Broadway Musical Classic, "Camelot".

Additional information regarding the sale of G.H.S. Theatre Season Tickets will be available in the very near future. Those who would like to be sure to be on the mailing list should call the Community School Office and leave their name and address. At the present time, all those who were on the Travel and Adventure mailing list for this year will receive theatre ticket information. Season tickets will also be available at several locations in the community.

Word Processing and Calligraphy

Community School Program To Add Enrichment Classes

The Grayling Community Education Program is adding two classes to its adult enrichment program, Word Processing and Calligraphy. The Introductory Word Processing class will begin Tuesday evening, October 23.

This is a six-week class intended for beginning word processors. Students should have one year of typing experience. Students will receive hands-on experience using Radio Shack TRS-80 Model III microcomputers equipped with the Scripsit Word Processing Program. Machine activities will include entering data on a microcomputer keyboard, editing documents, storing and retrieving documents using a disk and printing copies of documents with a dot-matrix printer.

The class will be limited to twelve so that each student will have the advantage of working on a machine. The class will meet for three hours each Tuesday evening and will start at 6:30 p.m. Tuition fee is \$25.

The class in Calligraphy will begin on Tuesday, October 30, at 7:00 p.m. Calligraphy is the art of beautiful handwriting. Layout and design will also be included in the class as well as many suggestions for interesting and beautiful projects. Tuition for this class is \$15 and the class will meet for eight weeks from 7:00 until 9:00 p.m. To pre-register, call the Community School Office.

G.M.S. Basketball Round-Up

By Sheryl Kilinger,
 Journalism

The seventh and eighth grade girls beat Gaylord St. Mary's Monday, October 8. The eighth grade score was 26-19; the seventh grade score was 31-30. Scoring for the eighth graders was A.J. Pratt putting them in the lead with 10 points. Other leaders were Patty Tremblay with 8 points, Linda Goodale with 9 points, and Deanna Phelps scoring 3 points.

The following girls make up the eighth grade basketball team: Kim Jacobs, A.J. Pratt, Margo Rembowski, Patty Tremblay, Linda Goodale, Lori Gust, Theresa Minnerick, Jannice LaDuke, Janet Petrosky, Deanna Phelps, Sheryl Kilinger, Cheryl Barber, Heidi Stephenson, Lauri Goss, Ann Moshier, and Dawn Elekonich.

The two teams are starting off with great seasons. The eighth grade team has a record of four wins and no losses, and the seventh grade team has a record of three wins and only one loss. The eighth grade girls' basketball is coached by Howard Lehti and Mike Shearer. Seventh grade girls are coached by Dallas Hudson.

Letter from Miss Grayling

As Miss Grayling 1984, I would like to encourage all ladies of Crawford County between the ages of 17 & 21 to compete for the title of Miss Grayling 1985. The chance at becoming Miss Grayling is a terrific opportunity. The pageant itself is a great learning experience not to mention a lot of fun. Through the pageant I became close to all of the contestants. Also I had the opportunity to develop and display my talents. I have nothing but good memories from the pageant.

As Miss Grayling, I represented our community at various festivals, parades, pageants and social functions throughout northern lower Michigan. I've met so many terrific people during my reign.

Whoever receives the title of Miss Grayling 1985 will be a very lucky lady. I'm sure Grayling's people will give

her as much love and support as was given to me. Grayling is a terrific community and to represent it is an honor. Being Miss Grayling may sound like a lot of work, but every effort is worth it!

Reflections on "Great debate"

by Richard Millman

ONE OF the great contradictions of American public life is this:

The qualities and abilities required to win election to public office are not necessarily the same qualities and abilities required to govern properly. In fact, some of the qualities required to win election seem to be diametrically opposed to those we most like to see in a public official.

Election winners, generally speaking, are those candidates who meet people well, appeal to a variety of special interest groups, promise a lot, look good to the public eye, have a great deal of physical stamina, and possess other attributes along these lines.

Good public office holders, on the other hand, are those who can say "no" as well as "yes," can replace a narrow view with a broader perspective, and think and act for the future as well as the present.

The two sets of abilities sometimes go hand-in-hand, but not very often. As a matter of fact, an argument can be made that the two sets of qualities work directly against each other.

But that's the system. We're stuck with it, and those who have learned to command the system hold public office.

THE EMERGING tradition of "the great debate" goes along the same line. A good debater does not necessarily make a good president, or senator, or congressman, or legislator, or public official of any kind.

Yet our political system has come to focus great attention on debates — or on what pass as debates these days. Actually, most political debates are not debates at all, but rather joint appearances, with opponents appearing on the same stage, answering similar questions, and getting a chance to rebut the other's answers. That's not debate, but it will do for now.

In any political debate, the incumbent is usually at a disadvantage. The challenger has everything to gain, and little to lose, whereas the incumbent is the other way around.

The old ground rule in campaigning is that

if you're ahead, you don't debate; but if you're behind, you demand debates. There are variations, but this is usually how it works.

IN OUR presidential elections, however, recent history has made debates almost a tradition. The first televised debates were between Nixon and Kennedy in 1960; then there was a hiatus until 1976 when Gerald Ford met Jimmy Carter, and in 1980, Ronald Reagan took on Carter.

In each case, the challenger is widely considered to have "won" the debate; this even holds true in 1980, if you will grant Nixon the informal mantle of incumbency since he was the sitting vice president at the time.

This year Mr. Reagan met Mr. Mondale, and in my opinion, the challenger again came out on top. Mr. Mondale seemed in complete command of himself, while Mr. Reagan seemed to be groping at times, disorganized at other times, and less than fluent at others.

Mr. Mondale even seemed to be having fun at the debate, while Mr. Reagan didn't seem to be enjoying it at all.

THERE ARE those who argue that presidential debates are meaningful in exhibiting the qualities required of a president. He/she must have command of the facts, must be able to think on the spot, must be able to articulate and defend positions forcefully, and must be able to handle pressure. I'm not so sure I buy the argument, however.

Whether the debates will change any votes is questionable; usually, those who already are committed have their choices confirmed by debates. However, the fence-sitting voter can be swayed by a debate, and I would guess Mr. Mondale picked up a few votes with his performance. He did a good job.

One point of history should cause some sober reflections by Reagan boosters:

In every case cited above — Nixon-Kennedy, Ford-Carter and Carter-Reagan — the candidate who "won" the debate later won the election.

KIWANIS REPEATS IN 84!! — Grayling Kiwanis, Senior League Champs are pictured above.

The Kiwanis team went undefeated this year. Three players played their last games in the senior division for Kiwanis, we wish them well. The rest of the team will be back in '85 and for most of the team their third year in the senior division.

Tobin-Fagan Vows Spoken

Pamela K. Tobin and Jerry L. Fagan II were united in marriage in a double ring ceremony performed by Father Bill Rabor on Saturday, September 22, 1984 at two-thirty in the afternoon at St. Mary's Catholic Church before approximately two hundred and fifty guests.

William Ruddy played the organ with John Tobin singing "We are One" which he wrote for the occasion.

The bride given in marriage by her father wore a floor length gown featuring an empire waist and tiered sheer overlay trimmed in lace with lace sleeves. The head-dress held a fingertip veil. She carried a cascade of white lilies and burgundy carnations.

Lori Madill of Frederic, was the maid of honor. The bridesmaids were Patricia Allen of Romulus and Dawn Niederer of Grayling. Both girls wore floor length burgundy gowns and carried a dusty rose color Rose with fern and baby breath. Marianne Tobin of Detroit was the flower girl, she wore a white flowing gown and carried a dusty rose color Rose with fern and baby breath.

Richard Singer of Carsonville was the best man, Alan Fagan and Kelly Fagan were groomsmen. Jerry L. Fagan III of Carsonville was ring bearer. Tracy Fagan and Max Tobin were ushers.

Following the wedding a reception was held at the Knights of Columbus Hall which was decorated in Burgundy, Pink and Gray.

Pamela is the daughter of Mrs. Eileen Parsons and Mr. Willard Tobin and a 1981 graduate of Grayling High School. Jerry is the son of Mr. and Mrs. Jerry Fagan and a 1973 graduate of Carsonville High School.

Out of town guests were from Boca Raton, Florida, Houston, Texas, Detroit,

New 'Insanity' Plea Would Expel Experts

A way out of the maze of complex legal precedent and psychiatric confusion surrounding the insanity defense is offered by philosopher Herbert Fingarette of the University of California, Santa Barbara.

He would replace the traditional "not guilty by reason of insanity" plea with a legal concept based on community judgment, not that of experts.

P.O. BOX 527, M-72 AT I-75, GRAYLING, MICHIGAN 49738 TELEPHONE: (517) 348-6781

Combined Notice

Notice To Public of No Significant Impact on the Environment and Notice To Public of Request For Release of Funds

County of Crawford
County Building
Grayling, Michigan 49738

October 10, 1984

(517) 348-2841, Ext. 253

To All Interested Agencies, Groups, and Persons:

On or about October 25, 1984 the above named county will request the State of Michigan to release federal funds under Title I of the Housing and Community Development Act of 1974 (P.L. 93-383) for the following project:

County of Crawford
Housing Rehabilitation-County-wide
Crawford County, Michigan

FINDING OF NO SIGNIFICANT IMPACT

It has been determined that such request for release of funds will not constitute an action significantly affecting the quality of the human environment and accordingly the above-named Crawford County has decided not to prepare an Environmental Impact Statement under the National Environmental Policy Act of 1969 (P.L. 91-190).

The reasons for such decision not to prepare such Statement are as follows:
Housing rehabilitation projects are categorically exempt.

An Environmental Review Record respecting the proposed project has been made by the County of Crawford which documents the environmental review of the project and more fully sets forth the reasons why such Statement is not required. This Environmental Review Record is on file at the above address and is available for public examination and copying upon request at the Crawford County Housing Rehabilitation and Community Development office between the hours of (9:00 a.m. and 4:00 p.m.) Monday thru Friday.

No further environmental review of such project is proposed to be conducted prior to the request for release of Federal funds.

PUBLIC COMMENTS ON FINDING

All interested agencies, groups, and persons disagreeing with this decision are invited to submit written comments for consideration by the County of Crawford to the Office of Chairperson, Jeannette J. Kitchen, County Building, Grayling, Michigan 49738. Such written comments should be received at aforementioned address on or before October 22, 1984. All such comments so received will be considered and the County of Crawford will not request the release of Federal funds or take any administrative action on the proposed project prior to the date specified in the preceding sentence.

RELEASE OF FUNDS

The County of Crawford will undertake the project described above with Community Development Block Grant funds from the State of Michigan under Title I of the Housing and Community Development Act of 1974. The County of Crawford is certifying to the State that The County of Crawford and Jeannette J. Kitchen, in her official capacity as Chairperson, Crawford County Board of Commissioners Consent to accept the jurisdiction of the Federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision-making, and action; and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval the County of Crawford may use the Block Grant funds and the State will have satisfied its responsibilities under the National Environmental Policy Act of 1969.

OBJECTIONS TO STATE RELEASE OF FUNDS

The State will accept an objection to its approval only if it is on one of the following bases: (a) that the certification was not in fact executed by the certifying officer or other officer of applicant approved by the State; or (b) that applicant's environmental review record for the project indicated omission of a required decision finding or step applicable to the project in the environmental review process. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58) and may be addressed to the State.

Objections to the release of funds on bases other than those stated above will not be considered by the State. No objection received after November 9, 1984 will be considered by the State. Jeannette J. Kitchen, Chairperson, Crawford County Board of Commissioners, County Building, Grayling, Michigan, 49738.

Attends MAAP Convention

Grayling Mercy Hospital employee Laura Stephenson was among 150 activity directors who attended the first state convention of the Michigan Association of Activity Professionals (MAAP) in Grand Rapids, Mi., Oct. 4, 5 and 6.

While at the three-day MAAP convention, Laura attended educational workshops that focused on the development of activity leadership and on ways to improve the quality of life for residents the activity professional serves. Topics in the workshops ranged from "How to Avoid Burn-out" to "Drama for Senior Citizens."

MAAP was organized in 1982 by activity directors from nursing homes, long term care facilities and senior centers. Over 100 members from all over Michigan belong to MAAP.

R & F ENTERPRISES RIBBON CUTTING — Mr. and Mrs. John Filippi and Mr. and Mrs. Arvid Rasanen cut the ribbon at the opening of their Grayling distributing center for car after-market products. Dave Golen, manager at the Grayling office, said one of their main products currently is the Cladiator protective coatings and rustproofing systems. On new cars, the rustproofing systems have an eight-year guarantee and Cladiator has also designed rust arrestors to work on used cars with rust.

Matson-Rivas Exchange Vows

Teresa Sunday Matson became the bride of Robert Rivas Saturday at St. Patrick's Catholic Church in Galveston, Texas. Given in marriage by her

father, the bride wore a gown of white Chantilly lace. The Chantilly lace bodice was embroidered with pearls and featured Chantilly lace sleeves with sculptured design. The chiffon and lace skirt was adorned with Chantilly lace ruffles and swept to a ruffled train.

A blusher veil and veil train fell from a hat embroidered with pearls and sculptured design. She carried a trailing bouquet of roses, rose buds and lilies.

Linda Mattice Fox of Sugarland was maid of honor. Bridesmaids were Sherry Clapp of Houston and Irene Ramos of Texas City. Gene McRae of Houston was the candlelighter.

Earl Rivas Jr. of Clear Lake was best man. Groomsman were Dennis Rygaard of Alta Loma and Ruben Ramos of Texas City. Ushers were Max Rocha and David Blessing of Texas City. Robert Rivas Jr. and Shawn Rivas were the ring bearers.

After the ceremony, a reception was held at Ashton Villa in Galveston, Texas.

The bride is the daughter of Lloyd and Elizabeth Matson of Grayling. She is a graduate of Austin's School of Modeling and was the 1977 Miss Davison and is affiliated with HAA-CAMI. She is employed as an apartment manager by the Robert McNeil Corp.

The groom is the son of Earl and Rosie Rivas of Texas City, Texas. He is a graduate of Texas City High and College of the Mainland. He is employed as a chemical operator by Union Carbide Corp.

The couple enjoyed a honeymoon in Can-Cun.

ELECT HATFIELD SHERIFF

Voters of Crawford County

I Am A Candidate

For the Office of Crawford County Sheriff.

I am married, father of 2 children and grandfather of four.
Served 4 years in the Army during World War II. Received an Honorable discharge as a Sergeant.

I have been in Law Enforcement over 31 years. Twenty years as Grayling Police Chief, 4 years as Crawford County Sheriff (1973-76) and presently employed as a Grayling Police Officer.

Respectfully,

Harold Hatfield

Republican Candidate For

SHERIFF

There will be very few, if any signs and posters on street corners but that does not mean that I am not campaigning and serious about the election. I just don't think the signs and posters do much to beautify the community. Should there be any put up, they will be taken down the day after election, win or lose.

Specials to Headline Women Retreat Nov. 2-3

Final preparations are being made for the 13th Annual Win-Some Women retreat which will be held Friday, November 2nd and Saturday, November 3rd at the Boyne Mountain Convention Center in Boyne Falls, Mi.

Keynote speakers are actress, author, and playwright Jeannette Clift George, who appeared as Corrie ten Boom in the film, "The Hiding Place", and author and Bible teacher Margaret Hess.

Margaret Hess, a preacher's child, grew up in Chicago and is currently a wife and mother of four in Livonia, Mi. She and her husband, Dr. Bartlett L. Hess, have travelled extensively around the world and to the Middle and Far East. She has taught Women's Bible classes for over 25 years in the Detroit area. At present her class at Ward Presbyterian Church in Livonia, where her husband is Senior Pastor, has 300-500 attending. Through this class she seeks to make the Bible come alive, with a knowledge of historical and geographical backgrounds and local customs of the people drawn from eight tours of the Bible lands conducted by her husband and herself. She also emphasizes practical application to problems of modern life.

Her books include: "Esther: Courage in Crisis", "Love Knows No Barriers", "Unconventional Women",

District Court

The following persons appeared in 83rd District Court before Judge Francis L. Walsh:

Michael Stringer, 23, of Indianapolis, was bound over to Circuit Court on a charge of assault with intent to do great bodily harm less than murder. Bond was set at \$10,000 cash or surety.

Anthony Washington, 24, and Jeffrey Drane, 23, both of Indianapolis, were bound over to Circuit Court on three counts of assault with intent to rob while armed and one count of armed robbery. Bond was set at \$1,500 cash or surety on the armed robbery charges and \$7,500 personal bonds for each assault charge.

Perry Johnston, 17, of Grayling, was bound over to Circuit Court on two counts of armed robbery. Bond was set at \$15,000 cash or surety for each charge.

Charles Peterson, 18, of Grayling, was bound over to Circuit Court on two counts of armed robbery. Bond was set at \$15,000 for each charge.

Charles Peterson, 18, of Grayling, was also bound over to Circuit Court on a charge of breaking and entering an unoccupied building. Bond was set at \$5,000 personal bond.

Perry Johnston, 17, of Grayling, was also bound over to Circuit Court on a charge of breaking and entering an unoccupied building. Bond was set at \$5,000 cash or surety.

Norman Bancroft, 19, of Grayling, was bound over to Circuit Court on a charge of breaking and entering an unoccupied building. Bond was set at \$2,500 cash or surety.

John Bindschattel, 22, of Frederic, was bound over to Circuit Court on a charge of attempted larceny of a coin box and resisting arrest. Bond was set at \$2,500 cash or surety.

Joyce Tinker, 30, and Claude Shaw, 30, of Grayling, demanded preliminary examination to a charge of delivery and manufacture of a controlled substance. Bond was set at \$2,500 personal bond for each defendant.

Leo Bowers, 38, of Roscommon, plead guilty to a charge of failure to stop after a collision and was fined \$85 or 10 days. He was cited April 30.

Randy Pelka, 23, of Roscommon, demanded preliminary examination to a charge of malicious destruction of animals. Bond was set at \$2,500 personal bond.

Steven Schaub, 26, of Kalamazoo, plead guilty to a charge of impaired driving and was fined \$305 or 30 days and his license is restricted for 90 days. He was cited July 4 by state police.

and she has co-authored with her husband, "How to Have a Giving Church", "The Power of a Loving Church", and "How Does Your Marriage Grow".

Evelyn Smiley of Milford returns with her musical talent to play the organ, while Jeanine Jezierski of Troy provides music on the piano. Johnny Hall, a dynamic gospel communicator and recording artist from Tempe, Arizona, will be the featured music artist for this year's retreat.

Johnny Hall began his singing career at the age of four when he joined the renowned Children's Bible Hour of Grand Rapids, Mi. He later attended the National Music Camp at Interlochen and the University of Michigan School of Music, and he has served on the voice faculty at Olivet College. He has travelled extensively with the famed composer John W. Peterson as a featured soloist and recently has been featured in several Billy Graham Evangelistic Association's crusades in the United States and Canada.

Johnny Hall has released seven albums, the most recent being "Rain Your Love" and "By Request".

He ministers not only through music but by speaking as well. He will share a seminar session entitled "Inner-Directed". Other seminar speakers will further develop the retreat's theme "Inner Peace" as well. Margaret Hess will speak about "Stress, Distress, and Burn-out".

Carol Kent of Port Huron will share how to "Speak Up With Confidence", and Joyce Winters of St. Paul Minnesota will speak about "Quiet Time in a Noisy World." The Phillip Keller film "Lessons From a Sheep Dog" will also be shown. The Friday evening assembly will close with a presentation of the life of Catherine Booth by Major Joyce Winters of the Salvation Army.

The retreat will close with a special Community Banquet for men and women of all ages. Jeannette Clift George will be the featured speaker with music provided by Johnny Hall. The dinner and program will be held Saturday, November 5 at 7:00 p.m. in the Boyne Mountain Convention Center.

More information, registration forms and banquet tickets may be obtained by contacting your local area coordinator, Beth Shepler or they may be picked up at Davis Jewelry. We suggest you make reservations early, because our capacity is limited. The retreat is sponsored by the neighborhood inter-denominational Bible classes of Petoskey and all women are invited to participate.

Creosote Buildup Time Is Now...

Fall and its warm days and cold nights makes a wood heating unit hard to regulate. The usual warm and toasty evening fire can be too warm as the wood gets a good fire going. To keep the unit from getting hotter, the damper and air controls are closed resulting in a cooler fire. This cooler fire produces more creosote and tar than a hot fire. The creosote and tar produced coats the insides of the firebox, stove pipe and chimneys. It only takes a few days operating a stove at lower temperatures to cause a build up of creosote that can result in a chimney fire. Chimney fires are serious and can cause extensive damage to the chimney and can even cause a house to burn down.

To prevent chimney fires follow these steps:

1. Inspect and clean the chimney.
2. Use a stove pipe thermometer to gauge how hot the stove or insert is operating.
3. Allow the fire to go out during the day.
4. Use your alternate heating source until steady cold weather comes.
5. Have at least one chimney extinguishing flare ready for immediate use if you have a chimney fire. Call the fire department - don't assume that you can put it out yourself.

This message prepared by Roy Spangler from the Cooperative Extension Service. Additional information on wood heating and safety is available by calling 275-5043.

Thanks to you...

Chamber Chatter

By Staff

At a regular monthly meeting of the Board of Directors of the Grayling Chamber of Commerce, President Kathy Ashton appointed a committee of three to conduct a search for the "Citizen of the Year" - someone who has made a substantial contribution of effort for the betterment of Crawford County and the people who live here. The chosen citizen will be honored at a community testimonial and again at the annual chamber banquet in May.

The chamber was advised to pursue the possibility of a WATTS line (800 number) for more efficient incoming long distance calls from outstate inquiring about snow conditions, color tours, motel reservations as well as other information. Steve and Phyllis Sauter of the Hospitality House contributed \$100.00 to encourage such an effort. Directors Karen Kammer, John Alef II and Walt Nowak will investigate the plan.

Jerry Morford, City Manager and I.D.C. Chairman, reported on new Industrial Development inquiries for locations in the Industrial Park.

Board members, Karen Kammer and Kathy Ashton, reported on Christmas plans for "lighting up the town" by the Grayling Promotional Association and other Christmas promotions of the association. The chamber is co-operating.

Grayling is once again back to normal. By normal we mean that at 12:00 Noon, 6:00 p.m. and 10:00 p.m. the siren is blowing again. It was certainly missed by many and felt that at these times something was missing in Grayling. To those that repaired the siren, our hats go off to you! Thanks for a job well done.

Keep Saturday, November 3rd open on your calendars and plan on attending the Las Vegas night at Hanson Park. For those bingo fans, a carnival bingo is being planned. There will also be blackjack and roulette. This should be an exciting night for those that once in awhile have "gambling fever". All proceeds go to the Winter Sports Carnival. Stop out and have a good time while helping the Winter Festival.

The newest member in the chamber fold is the K mart Corporation. We welcome them and are pleased to see so many of our local citizens employed there. Les Felder, the General Manager, has already shown interest in becoming involved with chamber activities. Welcome to Grayling, Les. Your support in the community is much appreciated.

Arts Council Presents The Midwest Trio

The Midwest Trio

By Nancy Lemmen

On Sunday, October 28, the Crawford County Arts Council proudly presents the second event in their Midwest Lyceum series: The Midwest Trio in concert.

The Trio is composed of the Concertmaster, principal pianist, and principal cellist of the Grand Rapids Symphony Orchestra. Together and individually, they have travelled extensively, performing before

audiences throughout the world.

Bernice Mrozinski, pianist, received her bachelor's and master's degrees from Indiana University, cum laude. She has been principal pianist with the Grand Rapids Symphony Orchestra since 1974. Bernice has toured the Midwest, Europe, and Russia as a piano accompanist, and has presented solo performances with the Grand Rapids Symphony and other orchestras.

Harris Shlakowski, violinist, graduated from the New England Conservatory of Music, and received his master's degree from Yale. He has played with the Buffalo Philharmonic and was assistant concertmaster of the Nashville Symphony. He is presently Concertmaster for the Grand Rapids Symphony Orchestra. Harris has performed in numerous solo and ensemble presentations throughout the United States.

Robert Madura, cellist, received his B.A. from the North Carolina School of the Arts. He toured for two years with the Ariosio String Quartet, and since 1978 he has been principal cellist with the Grand Rapids Symphony Orchestra. Robert is well recognized as a solo and ensemble player throughout the Midwest and elsewhere.

The Trio performs at 3:00 p.m., in the Joseph Stripe Auditorium of Grayling High School, on October 28. Tickets for the performance are \$4.00, and are available at Flowers by Josie/Grey Goose Gifts (on Michigan Avenue in Grayling) and from some CCAC members.

Arts Council Ticket Agent

The Crawford County Arts Council is an area ticket agent for Kirtland Community College's Performing Artist Series, and announces the availability of tickets for Kirtland's Fall play, "The Fantasticks," to be presented October 25, 26 and 28, and for the Boots Randolph appearance on November 3rd.

Tickets can be purchased at the studios of both local radio stations, WGRY (Old Lake Road) and WQON (Norway Street). A percentage of each ticket purchased goes to the Arts Council, so by buying tickets locally, people are also supporting their local Council.

In other CCAC news, the monthly meeting day has been changed to the third Tuesday, with the November meeting to be held on November 20. This will be a special meeting, with entertainment and the installation of new officers.

November begins a new fiscal year for the Council. Present members are urged to renew their memberships, and new members are welcome to join. Questions and/or applications can be directed to membership chairman Bonnie Yates (348-3232, P.O. Box 686, Grayling, MI 49738).

Grayling Middle School Advanced Studies

On Tuesday, October 2nd at 5:15 a.m. Mrs. Mills and thirteen 6th, 7th and 8th grade Advanced Studies students left for their trip to Stratford, Ontario. They went there to see the play "Romeo and Juliet." Mrs. Lemmen and the high school Advanced Studies also went. Written by Sue McLaughlin, 6th grade student.

Journalism Class

Mrs. Judi Mesack's journalism students are studying daily newspapers to understand what news is and to become familiar with good newspaper layout. Students are also learning journalistic writing and are accumulating stories for the November edition of In The Middle.

English

Mrs. Judi Mesack's English eighth grade classes reviewed capitalization and punctuation rules. They also refreshed their memories with paragraph and essay writing.

Student of the Month

Each month every staff member nominates one special student from their class to be a candidate. This program is designed to let students know that their positive behavior is appreciated and noticed. This award is not given for academic achievement; rather, it is presented to a student who has demonstrated good citizenship, effort, manners, dependability and positive attitude.

The students nominated for September were: Betty Partello, Dawn Bouse, Melanie Ojala, Scott Nicholas, Tim Pernie, Chris Bindshatell, Andrea Flowers, Sean Hess, Toye Sheldon, Roy Davis, Lisa Mier, Joshua Woodland, Robert Dixon, Colleen Felver, Laurie Mier, Joell Schans and Kristen Walker.

TRIKE-A-THON — Twenty five Grayling Co-op Nursery students trucked on their trikes around the Grayling Elementary parking lot September in a trike-a-thon fundraiser for the pre-school. The three and four year old boys and girls were given balloons and buttons for their efforts by their teacher Beth Ann Witchger, who dressed as a lion. Shown above is Jenet Bellor, dressed as a clown, with several of the young bikers.

Services Held For Mrs. Dana Foster

Mrs. Dana J. Foster, age 86, died October 9, 1984 at Mercy Hospital in Grayling. Mrs. Foster was born June 23, 1898 in Harold, Illinois. She was a former resident of Detroit, and Florida having spent the past 3 years in Gaylord.

Funeral services for Mrs. Dana Foster were held Thursday, October 11 at 2:30 p.m. from the Nelson Funeral Home. Rev. Donna Lindberg officiated. Burial was in Otsego Lake Cemetery, Otsego Lake, Mich.

Mrs. Dana Foster is survived by: 1 son Hylas Jordan of Gaylord, 1 granddaughter Susan Jordan, 1 brother Clyde Pettypool of Florida.

Parkinson-Kitchen Speak Vows

Mary Beth Parkinson, daughter of Mr. and Mrs. James A. Parkinson of Grayling, and Kirtland Martin Kitchen, son of Mrs. Jeanette Kitchen and Mr. Martin Kitchen of Grayling, were united in marriage on Saturday, August 25th at St. Mary's Catholic Church. The candlelight service was held at two thirty in the afternoon before two hundred guests. White wicker baskets filled with an arrangement of roses and carnations decorated the altar, and ivy foliage arrangements adorned the candlelabras. The wedding was performed by Father William Rabior.

Soloist Ellen Thompson sang "Evergreen" and "The Rose", accompanied by Nancy Hoffman at the organ.

The bride, who was given in marriage by her parents wore a Victorian style floor length dress featuring a lace stand up collar with illusion net bodice trimmed with schiffi embroidery. The leg-o-mutton sleeves were trimmed with lace, and the layered ruffled skirt ended in a chapel length train. She wore a Victorian style hat trimmed with chiffon and schiffi embroidery. A Nyle net bow attached the finger tip veil. The bride carried a cascade bouquet of stephanotis and avani roses enhanced with an assortment of foliage.

Mrs. Michael Shaw, of Big Rapids, sister of the bride was matron of honor. Kathie Wilson, of Utica, Brenda Petrosky, of Grayling, and Mrs. Rebecca Lawe of Grayling, sister of the groom were bridesmaids. Miss Jennifer Lynn Rist, of Perryburg, Ohio, cousin of the bride was flower girl. Robbie Lawe, of Grayling, nephew of the groom was ring bearer.

The attendants wore full length lavender dresses featuring empire waist and pleated skirts. The Victorian style jackets had lace trim and they wore head pieces of lavender flowers with ribbon streamers. The flower girl was attired in a white Victorian style lace dress with raised waist and short ruffled sleeves. The ring bearer wore white tie and tails. The bridesmaids carried bouquets of lavender colored carnations and white roses with lavender ribbon streamers. The flower girl carried a white wicker basket filled with lavender colored carnations and trimmed with white ribbon streamers. The ring bearer carried a white satin pillow trimmed with lace and white ribbon streamers.

Scott Kolka, of Grayling, friend of the groom, was best man. Mark Nelson, of Birch Run, brother of the groom, Michael Nelson, of Grand Prairie, Texas, brother of the groom, and Michael Shaw, of Big Rapids, brother-in-law of the bride, were groomsmen. They were attired in pearl grey tuxedos with grey satin ascot ties.

A buffet dinner reception was held following the ceremony at the Officer's Club, Camp Grayling.

After a honeymoon trip to the Upper Peninsula the couple will make their home at West Campus Apartments 49-B, Big Rapids, Mich.

Crawford County Board of Commissioners

September 27, 1984 — Regular Meeting
SYNOPSIS

The September 27th meeting of the County Board convened at 9:30 a.m. All Commissioners attended; and 13 visitors observed at various times.

IN FORMAL ACTION, THE BOARD:

- Approved the September 11th minutes as presented.
- Reviewed and accepted 29 pieces of correspondence.
- Denied a request by a road deputy that he be allowed to bypass the 6 month salary step increase in the union contract, and go to the one year rate.
- Authorized use of a county vehicle for transporting the tracking dog in emergencies, subject to guidelines to be established by the Sheriff.
- Adopted a resolution ratifying the 1985 Cooperative Reimbursement Contract with the Dept. of Social Services. The program budget is \$38,572.00; with \$2,970.00 of that to be paid by the county.
- Authorized certified Sheriff Dept. personnel to attend an in-service training program at Kirtland, with cost to be reimbursed by 301 funds.
- Accepted a \$24,470.00 Secondary Road Patrol Grant.
- Authorized a 15 cents per hour wage increase for the Juvenile Probation Officer, effective on the next anniversary of her hiring date.
- Directed the Clerk to compile cost estimates for installation of outside steps and repair of the ramp at the Sheriff Department.
- Supported Commissioner Miller's position that the State be required to participate in at least one half of the cost of clay capping the old landfill site under provisions of the Headlee Amendment.
- Engaged Consultant Dan White to assist the Sheriff with resolving a grievance pending in his department.
- Voted to reimburse George Rybicki for his assistance to the Labor Committee at a rate of \$10.00 per hour.
- Ratified the Labor Contract with the Fraternal Order of Police. Included in the agreement are cleaning allowances for dispatchers, BC/BS eye and dental coverage, a shift differential, an approximate 3 1/2% wage increase - retro-active to January, 1984, and a no-lay-off provision for the balance of 1984.
- Reappointed Art Roseau, Lyle Jewell, Karen McDonald, Joseph Ely and Robert Gottfried to the County Planning Commission.
- Appointed Harold Mertes to fill the vacancy on the Building Authority created by the resignation of Joe Wakeley.
- Reappointed Don Morgenstern, George Rybicki and John Miller; and appointed Frances Hanson and Edna Canfield to the County Zoning Commission.
- Reappointed Don Jansen, Leonard Szajner, Jack Stewart, Dave Wyman, John Keir and Alton Davis to the Construction Board of Appeals.
- Appointed Roger Moshier to replace Kathy Burkley on the Special Election Scheduling Committee.
- Reappointed Paul Musselman and Bill Rutter Sr. to the Zoning Board of Appeals.
- Accepted, and authorized execution of the Mich. Small Cities Grant for \$150 thousand to Crawford County from the Mich. Dept. of Commerce.
- Approved continuance of the Maintenance Agreement on the Canon Copier for one year, at a cost of \$800.00.
- Authorized a \$4,500.00 appropriations transfer to the AuSable Valley Youth Service Bureau.

REPORTS AND ANNOUNCEMENTS:

- Mich. Northern Counties is researching the issue of rate increases to pay for the Midland Nuclear Plant; and a report will be forthcoming.
- Mattis will meet with Youth Service Director Wilson to discuss that agency's finances in light of the possible splitting of the present two-county Board.
- Community Development: An application for a fitness center has been approved.
- Commission On Aging: Sherry Haag has been appointed C.O.A. Project Manager; and a lease will be signed today enabling programs to return to the City Housing Facility on Lawndale. A C.O.A. satellite has been started in Frederic, and attendance has been good. Inventory is still in progress; and Myrtle McPhail has been assisting with many health-care needs.
- Roads & Bridges: An erosion control project on road ends along the AuSable by the DNR, Road Commission and Soil Conservation District was discussed at length. It was clarified that the reconstruction work would not permanently close road ends and block river access; as many citizens had feared.

IN OTHER BUSINESS, THE BOARD:

- Reviewed 4 legal opinions rendered by the Assistant Prosecutor. Three were on contracts, and one outlined proper procedure for implementing a waiver within the Mich. Employees' Retirement Plan.
- Agreed, by consensus, to request an evaluation from the Retirement System at a cost of \$200.00 to \$300.00.
- Learned that over 38 thousand people visited the Fish Hatchery this summer.
- Discussed with the Treasurer the need to draft the required plan relative to compliance with Handicapper Regulations. The courthouse appears to be in compliance; and all agencies to which we appropriate funds will be reviewed by Kitchen and Building Director Jones. The Treasurer must certify compliance when receiving revenue sharing funds.
- Discussed, at length, the effect of the recently adopted Non-union Employees Policy on the Sheriff Dept.
- Reviewed with the Clerk several equipment and maintenance items.
- Learned that six Sheriff Dept. employees and the Reserve Unit had all placed either first or second in the Attorney General's Combat Shoot.
- Heard brief updates on activities of DSS, Soil Conservation, District Health, NEMCOG, DPW, Transportation Authority and the Consortium.
- Conducted a Public Hearing under Truth In Taxation to receive comments relative to the county's levying its full 7.0 mills for 1984. Three citizens attended. The Treasurer explained that the .75 Public Transit millage is not subject to hearing or roll back; as it was just renewed in August. The increased SEV for 1984, he said, would generate enough additional revenue for the county and Commission on Aging to require a roll back of .28090 mills if no decision to continue the full levy is made. In response to a citizen inquiry, it was explained that the Board could roll back the full .28090, part of that, or continue to levy the full rate. In considering the issue, commissioners discussed the more than \$70 thousand deficit, cost of recently settled and upcoming union contracts and maintenance projects waiting to be begun. The law requires the Board to wait seven days before making a decision.
- Meeting adjourned at 5:15 p.m.

Full text of official minutes is available in the Office of the County Clerk.

Daniel's Den

A full house enjoyed the music of "Ordinary People" last Saturday at the Den. The group had graciously agreed to come and "fill in" when Pam Roof was taken ill and unable to perform. We hope to have Pam in the near future.

This Saturday evening will be a jamboree night. We already have lined up, Greg Jaqua, Lori Priestap, and Debbie Callahan. However, we still have room for you, if you would like to share your talent, call Deb at 348-2232.

Come prepared for a blessing, Daniel's Den is located on the corner of the I-75 Business Loop and West M-72. We begin promptly at 8:00 and finish by 10:30. Doors open at 7:30 p.m. Refreshments are available, also Christian books and wall plaques.

Pumpkin Hunt

What a great way to spend a fall afternoon, looking for pumpkins in a pumpkin patch. It's just like you read about in books. That's what Brownies and Junior Girl Scouts got to do Thursday at Bernard Maurer's farm on 4 Mile Road.

The troops of Scouts met after school with drivers for the trip out to the pumpkin patch. Each girl got a pumpkin to take home. The leaders had snacks there. A good time was had by all. A special thanks to Bernard Maurer for having the Scouts out to the patch and to Carla Jean Gingerich for setting the activity up with Mr. Maurer. A great way to get ready for Halloween.

Uniforms are still needed for Brownies in sizes 8 and 10. Some smaller sizes are available and Junior uniforms are coming in and going out quickly, so keep them coming. Contact Sue Louchart if you need a uniform at 348-8117. If you have uniforms to sell or donate leave them at 103 Vilas St. by Golden Rule Printing.

October starts the Can Goods Drive with the Pathfinders from Camp AuSable for the Thanksgiving Food Boxes for the needy families in the area. Cans of food can be donated through any Pathfinder or Girl Scout also anyone knowing of a needy person to receive a box may contact Camp AuSable or Jackie Parker, Coordinator for Can Foods Drive for the Girl Scouts.

Don't forget United Way this month when the volunteer comes to your door. Remember Girl Scouts are supported by the United Way Funds.

Women of the Moose News

Sorry it's been a couple of weeks since you have heard from me, but I have been down with a cold.

We enrolled three new members at our last meeting in September. They were Tina Watson, Joanne Turner and Winnie Poll. We wish them a warm welcome.

We have a lot of activities planned for October, we hope all you ladies can attend. We will be having our Christmas in October on Oct. 21, at 3:00 p.m., we will be having cake and coffee and each person is asked to bring a donation to be sent to Mooseheart for their Christmas. All members are invited.

We will also be having a book sale and box social on October 27. The book sale will be held from 12 to 5 and the box social begins at 6:00. All members and their guests are invited to attend.

Our next meeting will be on November 5th at 7:00 p.m. We will be enrolling three new members so let's all try to be there.

American Legion Auxiliary News

By Laurie Jensen,
P.R. Director

I have been writing the Auxiliary Unit #106 News for a year now and I realize that something has been left out.

Whitey Madsen has graciously allowed me to write this column during the past year free of charge. Even though I am usually past my deadline, he still puts it in his paper week after week. I must apologize for not writing this sooner. This article was greatly needed for years. Whitey has allowed me to get our news out to the public. Thank you for your generosity.

To Roselyn Johnson and her crew that worked on our last Roast Beef Dinner, our thanks go to you for putting on such a delicious meal. You may not think so, but your work was well worth it. Once again, the ladies of the Auxiliary did a fantastic job. My hat goes off to you!

Mark Saturday, November 3rd on your calendars. Our 10th District meeting will be held in Midland.

This weekend Sharon and Roselyn will be in Alpena for our annual Fall Conference. There is always much to be learned at this conference. At our November meeting we should be hearing some excellent reports.

Women's Aglow

The Grayling Women's Aglow are proud and happy to announce Pastor Puffpuff as the speaker for their October meeting. Pastor Puffpuff, pastors New Life Assembly in Kalkaska, and is the area board advisor for Women's Aglow.

The meeting will be held at the St. Mary's Family Center, Saturday, October 20, beginning at 9:30 - 10:00 a.m. with refreshments. Worship and praise in song will be enjoyed from 10:00-11:00 a.m. and Pastor Puffpuff will minister from 11:00 a.m. through approximately 12 Noon.

All of our area ladies are warmly invited to join in this special time of blessing and fellowship.

Red Cross

(Continued from Page 1)

About a month after the second open heart surgery, Matt suffered another heart stoppage while he was in his Doctor's office and again he was revived by prompt administration of CPR.

His physicians then recommended he be flown to Mayo Clinic in Rochester, Minnesota in an air ambulance with the hope that specialists there would successfully accomplish what the first two operations had not.

The third open heart surgery was successful and today Matt Noble is a healthy, happy eight year old who enjoys playing baseball and football.

No accurate record was accumulated of the total amount of blood Mathew needed for his three open heart surgeries, but it was estimated to be in excess of fifty units.

The important point is that because of the American Red Cross Blood Service program Matt was able to survive the three surgeries and eventually be made whole and healthy, and all the blood he needed was furnished free by Red Cross.

American Red Cross Blood Service provides somewhat more than half of all the blood needed in the U.S., but it was American Red Cross Blood Research which developed the successful

13 Crawford Co. Avalanche Thurs., Oct. 18, 1984

procedures that makes it possible to draw blood simply and painlessly from human beings - a pint at a time and not more frequently than once every 56 days - store it; redistribute it to hospitals and medical clinics; where it can be returned to human bodies to save lives both in surgery and in many other disease fighting procedures.

The wonderful Donors who regularly give a pint of their precious blood to save the lives of unknown others deserve the highest praise possible, because they give their precious blood.

But if you did not have American Red Cross Blood Service - as we didn't just forty years ago - our futures would be very different and our lives much shortened.

Would you want to live in a world where there wasn't Blood Services as we know it now? We don't think so!

So, Help us Help You. Send a check today to insure that all the vital humanitarian Red Cross services can be continued at full level in our community, and mail it to Crawford County Chapter/American Red Cross, RR 2, Box 2515, Grayling, Mi. 49738

2nd Graders Helping Restore Statue

Grayling Elementary instructor Mary Jane Knibbs and her class of second graders from last year received a thank you from Lee Iacocca, chairman of the Statue of Liberty-Ellis Island Centennial Commission, for their contribution of \$535.

The class raised most of the money through a drawing for a large quilt they made.

"Your early involvement in the Liberty Centennial Campaign speaks strongly of your respect for the heritage these symbols so powerfully express," Iacocca wrote.

The students were also asked by the editor-in-chief of the magazine Instructor to contribute questions about the restoration project to appear in a Fall issue.

Mead-Terry Vows Exchanged

In a candlelight ceremony before an altar of lavender, aqua, and peach mums, and carnations, Pamela A. Mead became the bride of Robert C. Terry, on Saturday, September 22, 1984, at 5:00 p.m. in the St. Francis Episcopal Church. Father Derik Roy officiating before approximately 400 guests.

Music was provided by Blanche Miller at the organ with Dave and Karen Ross singing "Color My World" and "The Wedding Song".

Given in marriage by her father, the bride wore her mother's wedding dress of Antique satin and lace with a shoulder length veil and halo of white rose buds, she carried a bouquet of lavender roses and white mums.

The attendants were gown-ed in rainbow colored organ-dy dresses and carried bouquets of lavender carnations, white and peach mums. Crystal Filley was matron of honor, Dee Van-Nuck, Marilyn McClanahan, Kathy Czuba all of Grayling were bridesmaids.

Jessica Lobsinger, niece of the bride was flower girl and wore white organ-dy with lavender under-lay, she carried a basket of lavender carnations and white mums. Peter Mead, nephew of the bride was ring bearer and was attired in a white tux.

The groom wore an ivory tux and lavender rose boutonniere. His attendants wore grey tuxedos and lavender carnations boutonniere's. Marty Haskins was best man. Groomsmen were Richard Filley, Greg Laudenslager and Jim Brown. Ushers were Mike and Steve Lane, nephews of the groom.

The brides mother wore a street length dress of purple crepe and the groom's mother chose a peach chifon street length dress.

Patti's Country House was the scene of the dinner reception, with tables decorated in lavender and white streamers and center-pieces of wild Astors and Queen's Lace.

Out of town guests were from Grand Rapids, Detroit, Hessel, marquette, Marlette, Ludington, and Flint.

The bride is a 1978 graduate of Grayling High School and is presently employed at Grayling State Bank. The groom is a 1972 graduate of Bentley High School, Flint and is the owner of Terry's Sport Center.

After a short wedding trip to the U.P. the newlyweds will reside at Lake Margrethe.

To The Editor,
I feel sorry for John Riordan and all like him. As a former Air Force and currently a member of the Guard at Camp Grayling, I wonder how someone can be so blind as to what is going on in this world.

If Mr. Riordan wants National Security maybe he should check history. Since the 1900's the guard has seen service in 1916 border conflict with Mexico, WWI, 18 divisions from 13 states in WWII (Company A of the 107th Eng. Battalion from Calumet on the beaches of Normandy.) Korean and Vietnam.

Mr. Riordan believes that living here is hard on his nerves, maybe he should try Afghanistan or El Salvador or Lebanon or Vietnam etc. John and his friends should take a tour of the hills of Afghanistan, where the USSR is using chemical warfare.

As to why do the jets and choppers have to fly at tree top level. Why does a person have to take drivers training before they are let on the nation's highways. Because it takes training before one can do the job. The better the training the more lives that are saved.

In modern warfare it is often necessary to fly at tree top level. It takes a lot of training in peace time to make it through wartime. Ask anyone who was rescued by a chopper in Vietnam.

It has been a long time since a war has been fought in this country and the guard is part of the reason. By being ready to fight and die for peace you can ridicule them. Next time some lunatic decides to take control of the world, maybe you'd like to fight him here but I'd rather be ready to fight there.

As for paying the bill, peace is a hell of a lot cheaper than war.

In WWII Hitler took control of a good portion of the world because there was no one to stop him. WWII cost the U.S. roughly 341 billion dollars and the world over 1 trillion. The human cost 25 million military killed, 30 million civilians and 5 million more Jews killed. In Vietnam around 2.5 million casualties included 57,685 U.S. casualties. In Korea the U.S. lost 33,000 men.

Which bill do you wish to pay peace or war?

Dear Whitey,
The race for the newly appointed position of Circuit Court Judge has prompted me to write my first letter to you.

Never having been involved in politics, common sense says we should support our local candidate Tom Davis. Mr. Davis' opponent comes from Gaylord where currently four judges reside. If Mr. Davis is elected it will benefit Crawford County economically because of the driving time and gas allowance savings to the taxpayers and it's safe to assume a large portion of the judges salary will remain in Grayling.

The position Mr. Davis is running for was created to relieve the burden on the current judge. It is my understanding that 40% of the criminal cases come from Otsego Co. If the Gaylord candidate is elected he will not be able to hear cases that he has worked on. I also understand that for 18 months he will not be able to hear new criminal cases from his home county as his Assistant Prosecutor becomes the prosecutor 1-1-85. It is hard for me to see if he were elected how this would relieve Judge Porters caseload or speed up the prosecution of criminals. For these reasons I feel it's important to elect our local candidate Alton (Tom) Davis and hope all take the time to turn to the back of the ballot and vote in this non-partisan race.

OCCUPATIONAL THERAPIST — Mrs. Dice came to Mrs. Bovee's fourth grade classroom. Mrs. Dice told us she was an occupational therapist. She gave us a demonstration with the equipment like the big ball, little ball with handle, the rocking board and the scooter. She gave us a paper that had some words that had to do with occupational therapy. She showed us the program at two o'clock September 20, and I got to carry the scooter to the gym. We had to move all of our desks when she came. By Wade Trowbridge, 4th grade.

8th Straight Win Gives Girl Vikings League Lead

Kris Laudenslager and Michelle Barber hit for double figures and Dawn Phelps added 9 points and 8 rebounds as Grayling beat Charlevoix 47-36 in a showdown for first place.

Grayling is 6-0 in the league and 9-1 on the year. They played Rogers City at home Tuesday and then entertain Petoskey Thursday for the start of the second round of league play.

"Charlevoix was a big game for us," said head coach Tom Mills. "Defense is the key for us and in the second half we played good defense."

Grayling also dominated the boards with 54 rebounds. The first quarter score was 10-9 with Charlevoix ahead. At half, Grayling led 25-20 and by the end of the third period, the Vikings had a 35-28 lead.

Laudenslager had 16 points and grabbed 18 rebounds. Barber had 10 points and 13 rebounds and Phelps came off the bench in the

first quarter to score 9 points while hauling in 8 rebounds. Erin Jones had 8 rebounds and 7 points, Michelle Moore scored 4, and Heidi Derenz scored 1.

"Phelps and Jones played super coming off the bench," Mills said. "Our success anymore doesn't depend on five or six players. It's a total team effort."

Grayling's game against Charlevoix was the third in a row against league favorites and they were flat the next game as they traveled to St. Ignace for a 51-37 win over a team who has lost their last 25 games.

"We played poorly, especially the first half," Mills said. "We had 20 turnovers the first half."

Still, Mills has been extremely pleased with the 6-0 and 9-1 start. At the beginning of the season I would have been happy to be 4-2 in the league at this point."

Kris Laudenslager contributed 18 points and 17 rebounds at St. Ignace as she

continues her route to GHS scoring and rebounding records. The Vikings' center has been averaging 16.3 points a game and 16 rebounds a game this season.

Erin Jones and Michelle Barber each hit for 12 points as Grayling had balanced scoring. Barber also grabbed 8 rebounds. Dawn Phelps scored 3, Michelle Moore 2, Shawn Denton 2, and Kim Springer 2.

Saints Show Little Mercy, Pound On Vikings 41 - 19

Grayling got a taste of its own medicine Friday.

During Grayling's Homecoming last year, the Vikings upset the state champs St. Ignace. During Grayling's Homecoming this year, they thumped their traditional rival Gaylord.

Last Friday, Grayling ventured to St. Ignace during the Saints' Homecoming and the sky-high defending state champions blitzed Grayling 41-19.

Not only was it Homecoming for the Saints, but they wanted revenge for their only loss in two years and they're ranked second in the state driving for another play-off berth.

St. Ignace ran back the opening kick-off to Grayling's two-yard line to set the tone for the entire game.

The Saints pushed it across on the second play and kicked the extra-point. On Grayling's first possession, they drove for two first downs but had to punt.

St. Ignace scored on a 35-yard pass on their next

possession, kicked the extra point, and they were off to the races.

A 54-yard pass in the second quarter made it 21-0 with the extra point. With one minute to go in the half, Grayling snapped the ball over the punter's head and the Saints received a gift on the five yard line. They scored with five seconds to go and added a point to make it 28-0.

A 50-yard pass and a four-yard run made it 41-0 in the third quarter. The Vikings then started clicking as Jeff Branch hit Jon Nicholas on a 50-yard pass. Nicholas was wide open on the play as Grayling caught St. Ignace napping with the sleeper play.

Branch hit Burns with a 35-yard touchdown and Kevin Hudson kicked the extra point. Nicholas ran for another touchdown from 28 yards away to finish the scoring.

Friday, Grayling plays Boyne City at home and it will be Parent's Night.

The Grayling J.V. team handled St. Ignace at home last Thursday whipping them 28-0. Jeff Wolcott, Paul Anteau, Tom Shively, and Todd Klinger all scored rushing touchdowns. Jason McEvers kicked three extra points.

The J.V. offensive line of Jeff McClelland, Jim Laurent, Dave Nielson, Jason McEvers, Wayne Weatherly, Jim Knight, Scott VanDeVen, and Wayne Casler controlled the ball game as Grayling held the ball 40 out of 48 minutes. Casler also picked off two interceptions in the game.

TO THE CUSTOMERS OF MICHIGAN CONSOLIDATED GAS COMPANY

Case No. U-8038

NOTICE OF GAS COST RECOVERY HEARING

On September 21, 1984, Michigan Consolidated Gas Company (MichCon) filed with the Michigan Public Service Commission an **Application for Approval of Gas Cost Recovery Factors for Calendar Year 1985 (Case No. U-8038)**, seeking authority to reflect in its monthly billings to its retail gas customers gas cost recovery factors commencing with the January, 1985 billing month and continuing through the December, 1985 billing month. As defined in 1982 PA 304; MCLA 460.6h(1), a "gas cost recovery factor" is "that element of the rates to be charged for gas service to reflect gas supply costs incurred by a gas utility and made pursuant to a gas cost recovery clause incorporated in the rates or rate schedule of a gas utility." Such a clause has been incorporated in MichCon's rate schedule as Rule No. 30 following the Commission's order in Case No. U-7479 dated September 20, 1983, authorizing the clause.

MichCon represents that the proposed Gas Cost Recovery Factors are designed to recover an average of \$4.75 per Mcf attributable to the cost of gas during 1985; (the monthly factors proposed are set forth in the chart below) and MichCon further represents that, based upon its 1984 estimated average gas costs of \$4.31 per Mcf, approval of the proposed 1985 factors would raise the annual bill paid during 1985 by an average residential customer using 150 Mcf by approximately \$65 per year.

PROPOSED GCR FACTORS FOR CALENDAR YEAR 1985

Month	Maximum GCR Factor (Per Mcf)	Maximum GCR Factor (Per Dth)
January	\$4.5563 per Mcf	\$4.4757 per Dth
February	\$4.5940 per Mcf	\$4.5128 per Dth
March	\$4.6317 per Mcf	\$4.5498 per Dth
April	\$4.6694 per Mcf	\$4.5868 per Dth
May	\$4.7071 per Mcf	\$4.6239 per Dth
June	\$4.7448 per Mcf	\$4.6609 per Dth
July	\$4.7825 per Mcf	\$4.6979 per Dth
August	\$4.8202 per Mcf	\$4.7350 per Dth
September	\$4.8579 per Mcf	\$4.7720 per Dth
October	\$4.8956 per Mcf	\$4.8090 per Dth
November	\$4.9333 per Mcf	\$4.8461 per Dth
December	\$4.9710 per Mcf	\$4.8831 per Dth

MichCon's estimated average cost of gas for 1985 and proposed 1985 GCR factors assume the validity and legality of the Federal Energy Regulatory Commission's Order No. 380 which required, among other things, the elimination of purchased gas costs from minimum bill provisions in interstate pipeline tariffs effective July 31, 1984. If that Order was not in effect during 1985, MichCon's estimated average cost of gas would increase to \$4.97 per Mcf and its proposed 1985 GCR factors would have to be increased to recover these costs.

In support of its Application, MichCon has filed testimony and exhibits with the Commission giving details of its Gas Cost Recovery Plan, including descriptions of the major contracts and gas arrangements entered into for the purpose of providing gas service during the calendar year 1985. In addition, MichCon has filed testimony and exhibits describing its 5-year forecast of the gas supply requirements of its customers, its anticipated sources of supply, and projections

of gas supply costs in light of its existing sources of gas supplies. That 5-year forecast includes a description of relevant major contracts and gas supply arrangements entered into or contemplated by MichCon.

MichCon's filing, including its testimony and exhibits, is available for inspection at the offices of the Commission Secretary, 6545 Mercantile Way, Lansing, Michigan 48910, and at the offices of Michigan Consolidated Gas Company, 500 Griswold Street, Detroit, Michigan 48226.

A Utility Consumer Representation Fund has been created for the purpose of aiding the representation of residential utility customers in energy proceedings. Further information may be obtained from the Chairperson, Michigan Utility Consumer Participation Board, Department of Management and Budget, P.O. Box 30226, Lansing, Michigan 48909.

NOTICE IS HEREBY GIVEN that:

A. The initial hearing in this matter will be held at 9:30 a.m. on November 1, 1984, in the offices of the Commission, Mercantile Building, 6545 Mercantile Way, Lansing, Michigan, which hearing will be in the nature of a prehearing conference and will be held for the purpose of exploring and, if possible, agreeing upon matters which will expedite this proceeding.

B. Any person seeking to intervene, in accordance with Rule 11 of the Rules of Practice and Procedure Before the Commission, shall file with the Commission, on or before October 26, 1984, an original and 12 copies of a petition to intervene, together with proof of service upon Michigan Consolidated Gas Company, Office of General Counsel, 500 Griswold Street, Detroit, Michigan 48226.

Subparagraph (2) of said Rule 11 provides as follows:

"(2) A petition to intervene shall set out clearly and concisely the facts supporting the petitioner's alleged right or interest, the grounds of the proposed intervention, and the position of the petitioner in the proceeding, so as fully and completely advise the parties and the commission of the specific issues of fact or law to be raised or controverted." (Emphasis added.)

The Commission will require strict compliance with the above quoted rule.

C. THE GAS COST RECOVERY FACTORS DESCRIBED IN THIS NOTICE HAVE BEEN REQUESTED BY MICHIGAN CONSOLIDATED GAS COMPANY. THE MICHIGAN PUBLIC SERVICE COMMISSION MAY APPROVE, REJECT OR AMEND THOSE FACTORS.

D. Jurisdiction in this matter is pursuant to Sections 1, 2, 6, 7 and 8 of the 1909 PA 106, as amended; MCLA 460.551 et seq.; 1909 PA 300, as amended; MCLA 462.2 et seq.; Sections 3 and 4 of 1919 PA 419, as amended; MCLA 460.31 et seq.; Sections 4, 6 and 6a of the 1939 PA 3, as amended; MCLA 460.1 et seq.; 1982 PA 304, MCLA 460.6a, 460.6b, 460.6c, 460.6d, 460.6e, 460.6f, 460.6g, 460.6h, 460.6i, 460.6j, 460.6k, 460.6l, 460.6m, 1969 PA 306, as amended; MCLA 242.201 et seq.; and the Commission's Rules of Practice and Procedure, 1979 Administrative Code, R 460.11 et seq.

OLD MEMORIES

Sis and I would help get breakfast while Mother pared potatoes and prepared the roast. With dinner in the oven and breakfast dishes done, we'd dress in our best clothes and our freshly-shined shoes and leave for church, as the bells around the corner called their faithful home.

How grateful I am to my parents for making Sunday church-going a habit! The God they taught me to love and worship has been my refuge and strength throughout my life.

Attend your church or synagogue regularly and take your children with you. It is the most important heritage you can give them.

Daddy always shined our shoes on Saturday night. Memories of Sunday mornings at home... the smell of shoe polish and frying bacon... and a sense of expectancy.

Assists Challenger Space Mission

Richard Souders, a 1951 GHS graduate, designed equipment for the orbit refueling system highlighted during the Challenger flight.

Souders, who's been working with NASA since 1962, started work on the equipment in 1982. The system allows NASA to refuel satellites already in orbit.

Souders is the son of Mr. and Mrs. Harry Souders, of Grayling.

Bits O'Talk

Pallbearers for Kimberly Ostrowski Steele's funeral were Scott Dunkley, Terry Norman, Jim Rose, David Trudgen, Todd Tompkins, and Bob Metiva.

Pallbearers for Hazel Schreiber's funeral were David Schreiber, John Schreiber, Shawn Wing, Richard Schreiber, Aaron Schreiber, and Mitchell Schreiber.

Kriss and Michele Tessin of Grayling are proud to announce the birth of their daughter, Julie Marie on Wednesday, August 22, 1984 at Grayling Mercy Hospital. Julie weighed 6 lbs. 3 ozs. and was 18 1/2 inches long. Grandparents are Art & Marion Tessin of Grayling, Joyce Martens of Houghton Lake and Mike Martens of Prudenville, her great grandmother is Florence Dale of Houghton Lake.

Grayling Lioness Club Meets

The Grayling Lioness Club held their meeting Wednesday evening October 10th at the Holiday Inn. The ladies held their board meeting at 5:30 followed by dinner at 6:30. A business meeting was then held at 7:30. We had two guests from the Waters Lioness Club, Bonnie Johnson and Esther Moore, who gave us several suggestions for our club. We also had two new members installed, Debbie Fedewa and Nancy Cinciala.

The Lioness will be selling Benson "Fruit Cakes" for Christmas, those interested may place your orders now with any of our Lioness or better yet come and join us. On Thursday, October 18th at 7:30 the Lions and Lioness will have a social meeting at the Holiday Inn to make plans for our Coffee Break and other business, please try and make it.

The District 11-E2 Fall Conference will be held at the Grayling Holiday Inn October 19, 20 & 21st. They have set aside 100 rooms for this fall conference, this is a big event and plans are made for lots of entertainment.

Moose News

We had a good turn out for the district meeting, it was held at Skidway Lake. The women brought the traveling plaque back. We hope to keep this one next month and also bring the men's back. So we hope to see a bigger attendance next month. The next one will be held on November 14th at West Branch, so bring along your wives and friends and join us.

We have been having dances weekly, we had a good crowd and a lot of fun. If this continues we will be having them all winter.

We will be having a Halloween party for all the children in Crawford County, it will be held on October 31st at 6:00. There will be a costume contest at 7:00 p.m., and prizes awarded for each age group. Also will be having an apple bob contest and plenty of treats. All children are welcome.

Our next regular meeting will be held on Wednesday, October 17, at 7:00 p.m.

HYDRO-PULSE™

New HYDRO-PULSE™ unit can cut gas bills up to 35%.

The mind-boggling new Hydro-Pulse gas boiler simply uses gas more efficiently... up to 35% more efficiently.

That means more of the gas burned is used to heat the home... and none is wasted up a chimney. As a matter of fact, the temperature of the combustion gases leaving the Hydro-Pulse unit is so low, no chimney is needed. A small diameter plastic pipe simply carries the exhaust outdoors. Almost all of the heat goes into warming the home.

If you're switching from oil or electric, savings can be at least 40% or more.

The rapidly rising cost of fuel oil and the high cost of electricity have made the Hydro-Pulse boiler a tremendous bargain. In many instances, your savings may pay for the entire cost of an installed Hydro-Pulse boiler in three years or less... when substituted for oil or electric heat. Yes, it's true. The Hydro-Pulse boiler is the most efficient gas or oil heating unit made today and it's available right now.

Fuel bills will keep rising.

Cost projections by expert industry analysts predict that fuel costs will continue to soar for oil and gas during the next 10 years. Now is the time to protect yourself with a system that heats for less.

A HYDRO-PULSE™ Unit will save you more dollars with each passing year.

As the cost of oil and gas continues to rise... and costs are expected to more than double within the next five years... the Hydro-Pulse boiler saves you more. For example, if your gas bill is \$800 a year now, you could save 30% or \$240 per year. In 1985, if your gas bill is \$1,600, you'll save the same 30%, but instead of the savings being \$240 per year, they'll be double, or \$480.

Look at these other features and benefits.

- No pilot light. That's a gas saver.
- No burners. There is no open flame.
- No chimney required. Exhaust gas temperatures are cool enough to exhaust through a plastic pipe.
- Reduces infiltration of outside air. Combustion air is drawn from outdoors, not heated air from within the home.
- Uses less gas. The Hydro-Pulse is over 90% seasonally efficient.
- 20-year limited warranty. Hydrotherm believes in the reliability of this great new energy-saving product.

Unique principles of operation.

1. A mixture of gas and air is ignited in the combustion chamber, much like an internal combustion engine.

2. Hot gases from the combustion chamber are forced downward where they heat the water.

3. As the hot gases condense, they give off even more heat to the surrounding water.

4. The exhaust gases are so cool, no chimney is needed. They are simply exhausted to the outdoors through a small diameter plastic pipe.

Installed only by Certified Contractors.

At Hydrotherm's National Training Center in Northvale, New Jersey, and at field training centers throughout the nation, heating contractors have been Certified to install and service the Hydro-Pulse boiler. The Hydro-Pulse boiler cannot be installed by other than a Certified Contractor.
